The Marriage Enrichment program is a seminar designed to foster and encourage healthy relationships. During the course of the seminar, participants will have personal dialogue to improve communication, conflict management and other marital skills. This seminar (which normally costs over \$700) is a federally funded grant so **there will be no fee charged** since it will be covered by a scholarship. We will contact you by letter providing you with more information as the date approaches. If you have any questions please contact the project manager, Connie Alexander at 432-978-4970.
